

## **Summary School Self-Evaluation Report**

#### 1. Introduction

Our school has its own context. There are 36 teachers and 669 pupils in the school. We have a number of programmes operating in the school including, writing, tin whistle, sports and library. Our attendance levels are superb and our pupils' behaviour is excellent. For more information on how we intend to improve our pupils' learning, please see our School Improvement Plan which is available on our school website <a href="https://www.ballygunner.ie">www.ballygunner.ie</a>

#### 1.1 The focus of the evaluation

We undertook a school self-evaluation of teaching and learning during the year. We evaluated English Writing. We chose this because we felt that our pupils could improve their learning outcomes in this area of literacy as recommended in Whole School Evaluation Report (WSE) 2012.

This report summarises the strengths that were identified and the areas that have been prioritised for improvement.

### 2. Summary of school self-evaluation findings

We collected information from pupils and teachers in preparing this report. We looked at how well our pupils were doing in English Writing.

2.1 We found that our school has strengths in the following areas:

#### Strengths

English writing genres has a structured working plan

We can complete a plan at a whole school level

We began the process of self-evaluation

Tracker children were identified and their work filed

We know these are our strengths because all pupils practiced writing and completed the whole school plan for recount writing, report writing, narrative writing and poetry.

**2.2** We have decided to prioritise the following **areas for development:** English Writing (Year 2)

### Areas for development

English writing genres: persuasive writing, procedural writing, explanation writing and letter writing.

We have decided to prioritise these areas in order to complete Year 2 of English Writing Plan
